Welcome to our 2007-2008 Winter Timetable

First ScotRail is delighted to announce a number of enhancements to our services during this timetable period.

Sunday services will be introduced for the Glasgow to Larkhall via Hamilton line and the Glasgow to Stirling via Croy route.

The Glasgow-Larkhall hourly services will build on the resounding success of the first new branch line in Scotland for 25 years and allow the new stations at Larkhall, Merryton and Chatelherault to open for the first time on Sundays. The hourly Glasgow-Stirling enhancement will provide our customers in Bishopbriggs with all year round Sunday services and offer more travel opportunities from other stations on the route.

The last service from Edinburgh to Glasgow via Shotts will now call at Uddingston and Cambuslang on Mondays to Saturdays.

These additions are part of our focus on customer service and any alterations in the timetable are designed to improve reliability and ensure a value for money service.

We are pleased to reintroduce a number of services which had to be withdrawn during Network Rail's intensive engineering works for the £150million redevelopment of Edinburgh Waverley Station.

They include Newcraighall-Bathgate-Dunblane through services. All Fife Circle services will now continue to Edinburgh Waverley rather than terminate at Haymarket and a full timetable is being reinstated between Edinburgh and West Calder. A number of other services to and from Edinburgh Waverley will be subject to minor retimings.

Our timetable includes minor retimings which are intended to improve punctuality on the Paisley Canal Line and on some West Highland Line services between Glasgow, Oban and Fort William.

As Scotland's key transport provider, we are committed to providing a safe, reliable and punctual service and will continue to welcome your views through our regular Meet the Manager sessions.

Thank you for choosing to travel with us.

Transfers

If you're changing trains at a station on this route, please allow at least five minutes for your transfer, 10 minutes at Edinburgh or Glasgow Queen Street, and 30 minutes for the cross town transfer between Glasgow Queen Street and Glasgow Central (a special cross town bus service is available free to valid ticket holders). Connecting bus services for Edinburgh Airport run to and from Edinburgh, Haymarket and Inverkeithing stations.

Trains on this route

All services in this timetable are operated by First ScotRail unless otherwise shown. All First ScotRail services are non-smoking.

Parking your car

Park and Ride facilities are available at most of the stations on these routes, except for Cambuslang, Carstairs, Fauldhouse, Breich, Kingsknowe, Slateford, Brunstane and Edinburgh Park. Passengers with a valid rail ticket can park at these stations on the day of travel. Parking charges apply at Glasgow Central, Newcraighall, Haymarket and Edinburgh Waverley stations.

Rail and Bus through tickets

If your final destination is not rail connected, First ScotRail might still be able to help. We operate PlusBus and RailBus ticket schemes with many bus operators all around Scotland. Just one ticket from First ScotRail can include your onward bus travel.

Plusbus and RailBus destinations in the area of this timetable include Bathgate, the Borders, Edinburgh, Edinburgh Airport, Glasgow, Glasgow International Airport, and Livingston North but tickets are available to destinations all around Scotland. Through rail tickets are also available to Glasgow Subway stations.

PlusBus and RailBus tickets are available from staffed stations, from First ScotRail Telesales, or on-train if you start your journey from a station with no ticket issuing facility. You can check the full list of PlusBus and RailBus destinations on our website at www.firstscotrail.com

Engineering work

Work on the line may occasionally affect services. To minimise disruption this is usually done at weekends, and occasionally on public holidays. Please check at stations, or call 08457 48 49 50 before travelling.

Please note specially that some services on the Edinburgh-Shotts-Glasgow route will be replaced by buses for part of the journey on Saturdays from 29 March, mainly between Livingston South and Edinburgh. See pages 24-35 for details.
