Welcome to our 2007-2008 Winter Timetable

First ScotRail is delighted to announce a number of enhancements to our services during this timetable period.

Sunday services will be introduced for the Glasgow to Larkhall via Hamilton line and the Glasgow to Stirling via Croy route.

The Glasgow-Larkhall hourly services will build on the resounding success of the first new branch line in Scotland for 25 years and allow the new stations at Larkhall, Merryton and Chatelherault to open for the first time on Sundays. The hourly Glasgow-Stirling enhancement will provide our customers in Bishopbriggs with all year round Sunday services and offer more travel opportunities from other stations on the route.

The last service from Edinburgh to Glasgow via Shotts will now call at Uddingston and Cambuslang on Mondays to Saturdays.

These additions are part of our focus on customer service and any alterations in the timetable are designed to improve reliability and ensure a value for money service.

We are pleased to reintroduce a number of services which had to be withdrawn during Network Rail's intensive engineering works for the £150million redevelopment of Edinburgh Waverley Station.

They include Newcraighall-Bathgate-Dunblane through services. All Fife Circle services will now continue to Edinburgh Waverley rather than terminate at Haymarket and a full timetable is being reinstated between Edinburgh and West Calder. A number of other services to and from Edinburgh Waverley will be subject to minor retimings.

Our timetable includes minor retimings which are intended to improve punctuality on the Paisley Canal Line and on some West Highland Line services between Glasgow, Oban and Fort William.

As Scotland's key transport provider, we are committed to providing a safe, reliable and punctual service and will continue to welcome your views through our regular Meet the Manager sessions.

Thank you for choosing to travel with us.

MARY DICKSON, Managing Director, First ScotRail
