## Welcome to our 2008 Summer timetable

We are delighted to announce a number of enhancements to our services during this timetable period.

Two additional services will be introduced in each direction between Edinburgh Waverley and Glasgow Queen Street via Falkirk High during the morning peak and evening periods, Monday-Friday. They will be of particular benefit to commuters, thanks to the extension of services every 15 minutes. The additional evening services will also operate on a Saturday and be of benefit to leisure travellers.

These enhancements are part of our focus on our customers' needs and to offer the best service and journey experience. Alterations in the timetable from May 18 are also designed to improve punctuality and reliability and to ensure a value for money service.

We are also pleased to announce that a new service will be introduced between Alloa and Stirling during the Summer Timetable on a date to be confirmed.

Additional summer services will be reintroduced on the scenic West Highland line, Far North line and Ayrshire coast routes, offering more travel opportunities for our customers and visitors to Scotland.

As Scotland's key transport provider, we are committed to providing a safe, reliable and punctual service. Our intent is to exceed expectations under a strategy focussed on the customer and a duty to perform at the very highest standards.

Your feedback is vital to delivering consistently high and continually improving standards and we look forward to seeing you at our regular Meet the Manager sessions at stations and on board trains.

Thank you for choosing to travel with us.

Mary Dickson  
Managing Director, First ScotRail

You can check the full list of PlusBus and RailBus destinations on our website at [www.firstscotrail.com](http://www.firstscotrail.com)

A through ticket is also available to Braehead, the Southern General hospital and Glasgow International Airport via Partick station, using First bus service 747.
