Welcome to our 2008 Summer Timetable

We are delighted to announce a number of enhancements to our services during this timetable period.

Two additional services will be introduced in each direction between Edinburgh Waverley and Glasgow Queen Street via Falkirk High during the morning peak and evening periods, Monday-Friday. They will be of particular benefit to commuters, thanks to the extension of services every 15 minutes. The additional evening services will also operate on a Saturday and be of benefit to leisure travellers.

These enhancements are part of our focus on our customers' needs and to offer the best service and journey experience. Alterations in the timetable from May 18 are also designed to improve punctuality and reliability and to ensure a value for money service.

We are also pleased to announce that a new service will be introduced between Alloa and Stirling during the Summer Timetable on a date to be confirmed.

Additional summer services will be reintroduced on the scenic West Highland line, Far North line and Ayrshire coast routes, offering more travel opportunities for our customers and visitors to Scotland.

As Scotland's key transport provider, we are committed to providing a safe, reliable and punctual service. Our intent is to exceed expectations under a strategy focussed on the customer and a duty to perform at the very highest standards.

Your feedback is vital to delivering consistently high and continually improving standards and we look forward to seeing you at our regular Meet the Manager sessions at stations and on board trains.

Thank you for choosing to travel with us.

To avoid any queues, you can buy your ticket in advance by visiting our website at www.firstscotrail.com, or calling our Telesales team on 08457 55 00 33 between 0700 and 2200. All major credit cards and charge cards are accepted.

Seat reservations

Reservations are free when you buy a ticket to travel on First ScotRail. It's always wise to try to book your seat. Reservations are available on many of our trains, particularly on longer routes, including routes in this timetable.

Transfers

If you're changing trains at a station on this route, please allow at least five minutes for your transfer, 10 minutes at Edinburgh or Glasgow Queen Street, and 30 minutes for the cross town transfer between Glasgow Queen Street and Glasgow Central (a special cross town bus service is available free to valid ticket holders).

Trains on this route

All services in this timetable are operated by First ScotRail unless otherwise shown. Trains may divide en route - please check with staff that you are in the correct portion. Trains may be longer than some of the platforms at stations on this route. Before alighting, please make sure that the station platform is immediately adjacent. All First ScotRail services are non-smoking.

Highland Railcards

Available to local residents only, the Highland Railcard offers all year round savings on the West Highland lines, with discounted fares for adults and flat fares for accompanying children. For details, pick up a leaflet at Oban, Fort William or Mallaig stations, see our website at www.firstscotrail.com or call National Rail Enquiries.

Parking your car

Car parking is limited at all stations on this line except for Edinburgh Waverley, Glasgow Queen Street and Oban where parking charges apply.

Rail and Bus through tickets

If your final destination is not rail connected, First ScotRail might still be able to help. We operate PlusBus and RailBus ticket schemes with many bus operators all around Scotland. Just one ticket from First ScotRail can include your onward bus travel.

Plusbus and RailBus destinations in the area of this timetable include Fort William, Glasgow and Glasgow Airport, but tickets are available to destinations all around Scotland. Through rail tickets are also available to Glasgow Subway stations.

PlusBus and RailBus tickets are available from staffed stations, from First ScotRail Telesales, or on-train if you start your journey from a station with no ticket issuing facility. You can check the full list of PlusBus and RailBus destinations on our website at www.firstscotrail.com

Cycle Racks and Lockers

Most stations have cycle racks and some also have cycle lockers. See our website at www.firstscotrail.com for full details.

Engineering work

Work on the line may occasionally affect services. To minimise disruption this is usually done at weekends, and occasionally on public holidays. Please check our website at www.firstscotrail.com, or call 08457 48 49 50 before travelling.
