

KEEPING YOU MOVING

GLASGOW QUEEN STREET TUNNEL CLOSURE

From 20 March 2016 – Re-opening 8 August 2016

Train option

Bishopbriggs – Glasgow services will be diverted to/from Glasgow Queen Street Low Level station. They will run half hourly and take around 25 minutes longer. Services are likely to be extremely busy and you may not be able to board the first train you aim to catch.

Bus option

We have arranged for FirstGlasgow to run extra buses at peak times. Buses take around 20 minutes to Glasgow city centre, leaving at least every 10 minutes from central locations, including Kirkintilloch Road (after The Triangle). If this suits, please buy a bus ticket when boarding.

Please check your journey before travelling via the ScotRail app or our website:
