

KEEPING YOU MOVING

GLASGOW QUEEN STREET TUNNEL CLOSURE

From 20 March 2016 – Re-opening 8 August 2016

For travel to/from **Glasgow**, please use services via Bathgate and Airdrie to Glasgow Queen Street Low Level. This journey takes around 70 minutes and is your fastest option.

For **intermediate stations**, please travel via Falkirk High, which diverts after Croy to reach Glasgow Queen Street Low Level. Journeys will take around 25 minutes longer.

There are also trains to **Glasgow Central via Shotts/Motherwell**.

Queuing systems will be in place - particularly at peak times - and station staff will guide you to the next train.

To accommodate diverted services, there will be changes to **other trains across the country**.

Services may be retimed and the final destination may be different from the train you usually go for.

Please check your own journey – and its final destination - before travelling.

You can do this via the ScotRail app or our website:

scotrail.co.uk/#buytickets

Tip: Select a date between 20 March and 7 August.
