

CHANGES TO SERVICES

GLASGOW QUEEN STREET TUNNEL CLOSURE

From 20 March 2016 – Re-opening 8 August 2016

Trains that normally use Glasgow Queen Street High Level will be diverted to/from Queen Street Low Level station OR Glasgow Central.

As a consequence of the diverted trains, there will be changes to services across the country.

Clydebank, Yoker, Garscadden, Scotstounhill and Jordanhill stations will have a reduced service - with two trains per hour to/from Glasgow.

In addition, trains may be retimed and the final destination may be different from the service you usually go for.

Please check your own journey – and its final destination - before travelling.

You can do this via the ScotRail app or our website:

scotrail.co.uk/#buytickets

Tip: Select a date between 20 March and 7 August.
