GLASGOW QUEEN STREET TUNNEL CLOSURE

From 20 March 2016 – Re-opening 8 August 2016

Mallaig / Fort William / Oban – Glasgow Queen Street trains that normally use Queen Street High Level will be diverted to Queen Street Low Level station instead.

Services may be retimed and will take around 25 minutes longer.

Additional staff will be on hand in Glasgow to help customers with luggage, as time for boarding and alighting will be limited. Seat reservations and catering will continue to be provided.

Please check your own journey before travelling via the ScotRail app or our website:
