

CHANGES TO SERVICES

GLASGOW QUEEN STREET TUNNEL CLOSURE

From 20 March 2016 – Re-opening 8 August 2016

Trains that normally use Glasgow Queen Street High Level will be diverted to/from Queen Street Low Level station OR Glasgow Central.

To accommodate these diversions, there will be changes to other services across the country. You may notice these diverted trains passing through this station without stopping.

Services to/from this station may be retimed and the final destination may be different from the train you usually catch.

Please check your own journey – and its final destination - before travelling.

You can do this via the ScotRail app or our website:
